Artificial Intelligence (AI)

Giselle is a lawyer, patent agent and trademark agent, with a particular focus on patent drafting and prosecution, and portfolio management.

A registered Canadian and U.S. patent agent for Canadian applicants, she advises clients on IP strategy and drafts and prosecutes patent, trademark and industrial design applications in fields such as fintech, e-commerce, medical imaging and fuel cells. She has developed expertise in drafting and prosecuting cases relating to artificial intelligence and machine learning. She also prepares and reviews complex IP licenses, joint venture agreements, non-disclosure agreements and research agreements.
