Experience

- Regulatory
  - **AltaLink Management Ltd.**, a transmission facility owner, on all aspects of the approval of an HVDC transmission line, designated as Critical Transmission Infrastructure between Edmonton and Calgary, Alberta, including the environmental impacts of the line, 2009-13.
  - **AltaLink Management Ltd**. on proceedings relating to the abandonment of the Generic Cost of Capital formula for Alberta-based regulated utilities, 2009.
  - **Kinder Morgan Canada Company** before the National Energy Board to successfully reinstate the Windsor-Sarnia portion of the Cochin Pipeline system, 2009-10.

- **Sunshine Oil Sands Ltd**. on all aspects of its oil sands project development, including regulatory proceedings before the Energy Resources Conservation Board, the successful interim shut-in of 120 producing natural gas wells, the commercial application for project development, and the environmental review.
- **Athabasca Oil Sands Corp**. on all aspects of its oil sands project development, including the application for the interim shut-in of 180 producing natural gas wells, the commercial application for project development, and the full environmental impact assessment.
- **AltaLink Management Ltd**. on all aspects of the Alberta Utilities Commission Inquiry into the implementation of Smart Grid in Alberta, 2010.
- **ConocoPhillips Canada** on all issues relating to the ownership and production of natural gas from coal, including the successful proceedings before the Alberta Energy and Utilities Board/AEUB (now the Energy Resources Conservation Board/ERCB).
- **Husky Oil Operations Limited** on regulatory and litigation matters, including the successful application to shut in natural gas production at Cold Lake due to the potential harm to heavy oil recovery through cyclic steam processes, 2006-09.
- **Murphy Oil Company Ltd**. on its successful application to preserve its heavy oil resources in the Peace River Arch through the curtailment of natural gas production, 2007-08.
- Acted as Co-Counsel for **Gulf Canada Resources Limited** (now ConocoPhillips Canada Resources Corp.), an oil sands owner, on its successful application to the AEUB to shut in gas production in the Surmont area in Northern Alberta. The hearing resulted in the Board-ordered shut-in of 146 producing gas wells in the Surmont area overlying ConocoPhillips' oil sands interests, 1999-2000.
- **ConocoPhillips** on its successful commercial application to the AEUB to operate a 100,000 barrel-per-day steam-assisted gravity drainage (SAGD) project at Surmont; included a full environmental impact assessment, 2003-04.
- **Nexen Canada Ltd** and ConocoPhillips on the Leismer/Chard hearing before the AEUB, the longest-ever heard by the AEUB. Hearing resulted in a full review of natural gas production in the designated oil sands areas of Alberta, a regional hearing, and ultimate curtailment of natural gas production in the entire oil sands area, 2001-02.
