Energy - Oil & Gas
Mergers & Acquisitions
Commercial Contracts
China
Corporate Governance
Gas Contracting

Miles has maintained a broad practice advising energy sector and sector-adjacent participants and project proponents for more than twenty-five years. He advises frequently on mergers, acquisitions and divestitures, and project structure and development.

He has led significant transactions in the upstream, midstream and downstream sectors, and has advised on virtually all aspects of the Liquefied Natural Gas value chain. He has also played a lead role in significant debt financing and restructuring transactions both within Canada and internationally.

Miles writes frequently about oil and gas law, and teaches the Oil and Gas Law and Oil and Gas Contracts courses at the University of Calgary Law School. He led the drafting committee for the Pre-Unitization Agreement for the Association of International Energy Negotiators, and was recently selected as a Global Elite Thought Leader in Energy (Oil and Gas) by *Who's Who Legal*.

Miles is the leader of BLG's Asia Pacific initiative. He is also member of the firm's Environmental, Social and Governance (ESG) leadership team.
