Apply to BLG

Want to join the BLG Toronto team? If you're interested in summer position, apply through the viLawPortal.

A complete application must include:

- a cover letter
- a résumé
- copies of all law school and postsecondary transcripts (photocopies are acceptable)
- a list of upper-year law school courses

We acknowledge all applications upon receipt. We receive and review applications and interview candidates in accordance with the guidelines established by the Law Society of Ontario.

For first-year candidates and articling students, we conduct only in-firm interviews.

We conduct on-campus interviews with second-year candidates and then invite select candidates to in-firm interviews. For law schools that do not participate in on-campus interviews, we review applications and invite eligible candidates to our Toronto office for an interview.
