Strategic implications for enterprise leaders

TABLING ON THURSDAY, NOV. 5, 2026 | OTTAWA, ONTARIO

The Canada Federal Budget 2026 lands Nov. 5, 2026, and for business leaders, the clock starts the moment it does. When the budget drops, business leaders need commercial clarity, not just a summary of the tax code.

BLG's National Tax Group is preparing immediate, actionable analysis of the Canadian federal government budget for the C-suite. Whether you're navigating new compliance requirements or identifying strategic opportunities in the 2026 Federal Budget, our lawyers deliver insight the C-suite can act on, fast.

Explore BLG's analysis below as it becomes available.
