Get the Full BLG Experience

As a summer or articling student at BLG, you'll be invited to a wide variety of social events, some specifically arranged for you and your mentors. These include luncheons, receptions and social outings, such as bowling nights and ping pong tournaments. There are also many firm-wide events, such as departmental socials and seasonal parties.

We also encourage our students to get involved in the community by attending various charitable and volunteer events.

Follow us on Instagram @blglaw to see what our students are up to.
