BLG builds with Habitat for Humanity

Improving our communities

Led by BLG's Construction Group, our employees give their time and talent to build homes and secure donations of materials, expertise and additional volunteers. Groups from across the country take part in home builds in the communities we live in on an annual basis. This year, groups in Toronto and Ottawa helped to construct window and door frames for Habitat projects in Brampton and Ottawa.

Habitat for Humanity mobilizes volunteers and community partners to help hard-working, low income families break the cycle of poverty through affordable home ownership.
