Construction
Commercial Litigation
Construction Disputes
Procurement

Patrice is a partner in BLG's Construction Group. He acts on matters related to infrastructure and construction law, such as call for tender issues, conformity, bonds, professional liability, legal hypothecs and construction-related insurance issues.

Patrice acts for clients involved in major infrastructure projects. He litigates claims for additional compensation and other complex litigation before the civil courts, in arbitration and before dispute resolution boards. Patrice also assists clients in negotiating construction or service contracts in both the private and public sectors, and preparing risk management and risk prevention programs.Patrice is regularly invited to speak at the various conferences delivered to the construction industry.
