As an Articling Student, Kieran is assisting lawyers on a wide variety of tasks within our Business and Disputes groups.

Prior to attending law school, Kieran received a Bachelor of Arts degree in Political Science from the University of Alberta. During his summers while attending law school, Kieran worked in the legal department of an international transportation company.

Kieran chose to work at BLG due to the collegiality of its team, the strength of its training and mentorship programs, and the opportunity to develop legal skills across a range of practice areas.

In his free time, he likes to ski, golf and participate in local theatre.
