Anti-Dumping, Anti-Subsidy & Safeguards

Whether dealing with the Canada Border Services Agency or litigating before the Canadian International Trade Tribunal, Canadian courts or under international treaties, it's key to have a focused, experienced legal team who can tackle the most complex trade remedy cases.

We are Canada's largest group of dedicated trade remedy professionals. Our team includes lawyers and trade/accounting paralegals with significant experience in all aspects of anti-dumping, anti-subsidy and safeguard laws.

We are tough, resourceful and rigorous advocates who offer our clients legal and business strategies tailored to defending their interests. Our trade remedies practice is valued by clients and acknowledged by peers for the quality of our work, depth of knowledge and superior advocacy.

We pride ourselves on our record of success in Canada's highest profile trade remedy cases. One of our partners has been lead counsel for exporters and importers in most of Canada's recent "no injury" findings.
