BLG Talks Transportation is a new series of regular webinars to discuss issues affecting the transportation industry.

We are currently in a whole new world when it comes to supply chain, economics of the transportation business, demand, regulation and risk. Please join us as we discuss hottest topics affecting warehouses and terminals which in turn affect the whole supply chain. Our expert industry panel from leading companies will discuss:

- Force Majeure
- Logistical Issues & Solutions
- Product Diversification
- Regulatory Relationships

Our panel will dissect the issues from their point of view and provide insights regarding what to expect in 2022.

We hope you can join us!

CPD Information

This session has been accredited for lawyers requiring CPD hours in Ontario and Alberta.

BC | This course has been accredited for 0.75 hour. Course name: BLG Talks Transportation: Supply Chain - Marine Terminal Operations and Issues. Course number: N14122021.

ON | This session is eligible for up to 0.75 Substantive Hour.

QC | Please note, the concept of "recognition" or "accreditation" has been abolished. By doing this, the Barreau is trying to make it easier for lawyers to claim mandatory CLE credits without a formal accreditation process. It is now up to individual lawyers to determine the eligibility of a training activity and to declare the hours in their "Dossier de formation en ligne".
