

EVENT

New Kids on the Blockchain: Decrypting Blockchain and Digital Assets

March 01, 2018
2:30 p.m. - 5:00 p.m.

Centennial Place West Tower
3rd Floor 250 5th Street SW Calgary, Alberta, Canada T2P 0R4

The Prairie Securities Traders Association and BLG present: New Kids on the Blockchain — Decrypting Blockchain and Digital Assets. Blockchain technology is expected to revolutionize the financial transaction industry. Gain valuable insight from a panel of leading experts on blockchain and digital assets such as Bitcoin and other cryptocurrencies in this rapidly evolving area.

Topics will include a primer on blockchain technology and understanding how securities regulations intersect with initial coin and token offerings, cryptocurrency funds and block-chain-based businesses.

Speakers will include:

Mark Franko, *Alberta Securities Commission*

Julian Klymochko, *Ross Smith Asset Management*

Don Short, *Canada Crypto Corp.*

Melinda Park, *Borden Ladner Gervais LLP*

Jonathan Doll, *Borden Ladner Gervais LLP*

Ravi Latour, *Borden Ladner Gervais LLP*

Dave Bradley, *The Bitcoin Brains Inc.*
