Krystin is an articling student at BLG's Toronto office.

At law school, Krystin served as a Managing Editor at the Western Journal of Legal Studies and as a Co-Chair of the Distinguished Speakers Committee. She also represented Western Law at the 2022 Wilson Moot, where her team placed first and she was awarded second-place oralist. In 2021, Krystin summered in the corporate legal and compliance department of an insurance company. Before law school, Krystin worked in the capital markets group at a Big Five bank, where she was a part of the Professional Development & Learning team.

Krystin chose BLG because it is a collaborative, innovative, and inclusive workplace. The student culture is collegial and there is ample opportunity to explore different areas of the law for anyone who is eager to learn.

In her spare time, you can find Krystin trying a new workout class or wandering the city in search of a great coffee and pastry. She is also an art enthusiast and a beginner hiker.
