How to Navigate Corporate Finance

Your business needs money to grow, but learning to navigate corporate financing options can be challenging. Please join us for an interactive session, where our expert panel will give you knowledge of the essentials, including:

- The stages of financing (founder shares, pre-seed, Series A, etc.)
- Key terms and documentation
- Strategies for success and common pitfalls
- Practical tips for protecting your investment

This session will feature discussions and market insights from our panel of venture capital and other industry participants, and will be followed by an informal networking reception.

We look forward to seeing you there!

Driven by Women is an initiative aimed at fostering collaboration among women entrepreneurs. Supported by our unparalleled depth of expertise and experience, we cultivate a network where female decision-makers can gather to meet, learn, share.
