Kathryn is an Articling Student at BLG's Ottawa Office with focus on Intellectual Property.

Prior to joining BLG, Kathryn completed the joint ^{Back}BESc/JD program at the University of Western Ontario. While completing her degree, she interned with the Department of National Defence. She continued to work for the department for the duration of her studies.

Kathryn chose BLG due to the firm's incredible learning environment with its strong focus on talent development. Meeting various members of the firm during the recruitment process helped solidify her decision.

In her spare time, Kathryn enjoys backcountry camping, playing softball, and thrifting. She looks forward to discovering more hiking trails in the Ottawa area and skating on the canal.

Education

- BESc, Western University, 2022
- JD, University of Western Ontario, 2022
