Kennedy is a summer student at BLG's Toronto office for the 2024 summer term.

As a law student, Kennedy volunteers at the Queen's Legal Aid Clinic, where she helps provide free legal services to low-income residents of Kingston. Additionally, she serves as a volunteer editor for the *Queen's Law Journal*.

Kennedy chose to work at BLG because she admired the firm's culture, innovation, and ^{Back}strong focus on student development. The connections she formed during the recruitment process confirmed her decision to join the team.

In Kennedy's spare time you can find her discovering new cafés, attending live performing arts concerts, and travelling to British Columbia to visit her family.
