Fintech Series: Keeping up with Regulations

December 05, 2018
5:30 p.m. - 8:00 p.m.

77 Adelaide Street West Toronto, Ontario, Canada M5X 1C1

FinTech attracted \$24B of global investment in 2015. That's a 10-fold increase since 2011. It's also a challenge to our competitive edge. If Toronto is to remain a fintech global champion, we need regulations that put us on even footing with global competitors. Our expert panel will discuss current regulations here and abroad, and how a new Made in Canada regulatory environment can keep us ahead of the curve
