Holly practices corporate and commercial law with a focus on the health sector.

She advises clients on a broad range of matters including mergers and acquisitions, corporate governance, and commercial agreements. She also provides advice on health regulatory matters, including health product and establishment licensing, clinical trials, research ethics, funding programs, virtual care, marketing and advertising, and interactions with health professionals.

Experience

- Acting on mergers and acquisitions.
- Advising on board governance issues and directors' fiduciary duties.
- Advising on research ethics matters and clinical trial agreements.
- Developing corporate and professional staff by-laws for public hospitals.
- Advising regulated entities on their amalgamation and integration activities.
- Advising on matters concerning the manufacturing, distribution, packaging, and labeling of drugs, medical devices, natural health products, and consumer health products.
- Advising on interactions with regulated health professionals.
