Karlee is an articling student at BLG's Calgary office for the 2022-2023 articling term.

Prior to entering law school, Karlee served as a Canadian intern for the Supreme Headquarters Allied Powers Europe (SHAPE) with NATO, serving in Belgium, where she worked on logistics and military planning in the field of energy security. Karlee has also worked as a communications assistant and outreach coordinator for the Senate of Canada. While at the Senate, Karlee launched a youth outreach program titled SENgage enabling young Canadians to connect with sitting senators.

Karlee chose to work at BLG after having the opportunity to meet with lawyers from all levels of the firm, from articling students, to associates, to senior partners, who were all dedicated team members and eager to support the learning and development of students and young lawyers. The team culture at BLG and the opportunity for exceptional mentorship inspired Karlee to join the firm.

Karlee enjoys being outdoors and on weekends you can find her in the mountains, either hiking, biking or cross-country skiing. She also loves travelling, having visited 27 countries.

## Education

- B.A. (Hons), Queen's University, 2017
- JD Candidate, University of Calgary, 2022

---

## **BLG | Canada's Law Firm**

As the largest, truly full-service Canadian law firm, Borden Ladner Gervais LLP (BLG) delivers practical legal advice for domestic and international clients across more practices and industries than any Canadian firm. With over 725 lawyers, intellectual property agents and other professionals, BLG serves the legal needs of businesses and institutions across Canada and beyond – from M&A and capital markets, to disputes, financing, and trademark & patent registration.
