Ben is an articling student at BLG's Toronto office for the 2021/2022 term. He is focusing on disputes law.

As a law student, Ben worked for Western's Community Legal Services and acted as its supervisor of Intellectual Property Law. He was a member of Western's Jessup Moot team that advanced to the World Championships, finishing 17th. Before law school, Ben obtained his MSc in Immunology working to develop new immunosuppression medication for kidney transplant patients. Ben was also a member of Western's Varsity Baseball team for 4 years.

Ben chose to work at BLG because of the unique opportunity to gain experience working in health law, and for the friendly and fun atmosphere.

In his spare time, Ben listens to pop punk, plays baseball, and reads Fantasy/Science Fiction novels.

Insights Rollup

- Health Canada releases guiding principles on artificial intelligence and machine learning for medical devices
- Health Canada regulatory spotlight on medical device post-market surveillance

Education

- J.D., Western University, 2021
- M.Sc. Immunology, Western University, 2018
- B.Sc. (Hons.) Microbiology & Immunology, Western University, 2016

BLG | Canada's Law Firm

As the largest, truly full-service Canadian law firm, Borden Ladner Gervais LLP (BLG) delivers practical legal advice for domestic and international clients across more practices and industries than any Canadian firm. With over 725 lawyers, intellectual property agents and other professionals, BLG serves the legal needs of businesses and institutions across Canada and beyond – from M&A and capital markets, to disputes, financing, and trademark & patent registration.
