Madison is an articling student at BLG's Toronto office and is focusing on business law.

Madison was also a summer student at BLG and assisted lawyers on a variety of matters within the Indigenous and Energy law groups.

Prior to joining BLG, Madison worked with one of Atlantic Canada's leading law firms and in project control with one of Canada's largest financial institutions.

During law school, Madison gained invaluable advocacy skills from coaching and participating in the Donald G.H. Bowman National Tax Moot and a national Securities Moot.

Madison chose BLG because of its commitment to diversity and inclusion as well as the number of top-tier practice groups the firm offers. Throughout the recruitment process, it became clear that BLG could offer a supportive and welcoming work environment, which is essential to any aspiring lawyer.

Madison grew up in Goose Bay, Labrador. Outside the office, you can find her trying a new coffee shop, running by the waterfront, or catching up on reality TV.
