Mélanie defends healthcare and social service establishments in hospital and **medical liability** proceedings and **directors' and officers' liability** proceedings, including **class actions**. She regularly pleads before the Québec courts and focuses her practice in the following fields:

- medical and healthcare professional liability
- legal psychiatry issues
- consent to care
- human rights
- interpretation of the legislative framework applicable to healthcare establishments and social services

She has served as a lecturer and guest professor, teaching the concepts of medical and hospital professional liability, as well as of the **rights of users**. She is a co-founding member of the Health Law Section of the Quebec Branch of the Canadian Bar Association.
