Recia is an artling student at BLG's Toronto office with a focus in dispute litigation and an interest in corporate law.

Prior to joining BLG as a law student, Recia led an editorial team as an executive editor for Ottawa's Law Review and served as a peer mentor. Recia worked at the Lake County Prosecutors Office in Indiana and later attained a Master of Arts from York University.

Recia chose BLG after meeting several people through the in-firm process and realising that the firm genuinely cares about their members. It became obvious that an abundance of opportunities would be provided working alongside talented lawyers.

In Recia's spare time, you can find her nestled into a good book and spending time with family and friends.
