November 18, 2020

BLG's Investment Management lawyers are delighted to virtually host our annual fall round-up of regulatory reforms. We may all be virtual this year, but securities regulatory change is real and coming at us in 2021 and 2022.

We hope you were able to join us for an engaging and lively session, which will allow you to keep up-to-date and informed. If you were not able, the webinar is now available.
