# Lucy Ferneyhough

**Summer Law Student**

LOCATION
Toronto

Lucy is a summer student at BLG's Toronto office for the 2026 summer term. She primarily works in the disputes department.

Before law school, Lucy worked closely with corporate leaders as an Executive Assistant and Chief of Staff, coordinating strategic projects and facilitating team communications. Recently, Lucy contributed to the *Ottawa Law Review* as an Assistant Editor, and assisted in the production of the University of Ottawa's annual faculty of law musical. Lucy has an interdisciplinary educational background in neuroscience and philosophy, which has contributed significantly to her analytical and problem-solving skillset.

Lucy chose to join BLG because of the firm's commitment to flexible, diverse learning opportunities. After meeting with current BLG students and hearing about their experiences, Lucy was particularly excited by the prospect of hands-on involvement in complex and novel litigation matters.

Outside of the office, Lucy enjoys listening to podcasts and taking her cat to explore new parks in Toronto. During the winter, you can find Lucy skiing, skating, or reading in a cozy café.

## Education

- JD, University of Ottawa, 2028
- BA&Sc (Hons), McGill University, 2023
