BLG's PDAC cocktail reception

March 05, 2024
5:00 p.m. - 8:00 p.m. ET

Toronto

BLG is hosting its annual PDAC cocktail reception on March 5, 2024.

BLG has one of the most active mining M&A practices in Canada and was ranked No. 1 Canadian and global law firm by deal value in 2018 for the metals and mining industry (Global Data). We have acted for and advised domestic and international mining companies of all sizes, specialties and stages of development for over a century.

We provide the technical expertise to achieve our clients' operational and strategic goals throughout the mining life cycle—from grassroots exploration to mining development, operation and closure.
