Jenna Daley

Summer Law Student

LOCATION
Toronto

Jenna is a summer student at BLG's Toronto office for the 2026 summer term.

Before her legal studies, Jenna worked in the immigration sector at two regional law firms in Québec, where she supported teams helping multinational companies meet their employment needs. During law school, she participated in a diverse range of activities, including serving as a research assistant in tax law, an executive with the McGill Sports and Entertainment Law Association, and a member of the Corporate/Securities Moot team.

Jenna chose BLG because of the firm's exceptional training opportunities and its supportive environment. During the recruitment process, she was particularly impacted by the teamwork she saw at BLG. The lawyers showed a genuine commitment to helping each other achieve success in their work every day.

In her spare time, Jenna enjoys discovering new bookstores, practicing her violin, and seeking out the most scenic cross-country skiing trails.

Education

- BCL/JD, McGill University, 2026
- BA, McGill University, 2012
