# Luna Child and Youth Advocacy Centre

We are pleased to support the Luna Child and Youth Advocacy Centre. Located in Calgary, the centre addresses a critical issue in an innovative way. Through an integrated approach, the Luna Child and Youth Advocacy Centre provides the services and support necessary to make a lasting impact in the lives of children, youth, and families affected by abuse.

As part of the partnership with Luna Child and Youth Advocacy Centre, our professionals volunteer their time to support the Centre's activities and the firm provides pro bono legal services. These efforts coincide with the guidance provided by Melinda Park, a partner in our Calgary office, who currently serves on Luna Child and Youth Advocacy Centre's Board of Directors and as Chair of the Governance Committee.
