As a Summer Law Student, Amanda is assisting lawyers on a wide variety of tasks within our Business and Disputes groups.

Prior to attending law school, Amanda had a career in the engineering and construction industry, with roles in business analysis, risk management, and contract/commercial management. She worked on major design-build projects across Canada, in Australia, and in the UAE.

Amanda is interested in BLG because she wants to be part of a team that helps clients tackle the complex challenges associated with major infrastructure projects.

In her spare time, Amanda loves to spend time with her two Havanese dogs, build LEGO models, and plan her next road trip.
