StartUp & Grow™

Starting a business can be challenging. Whether you’re an entrepreneur running a start-up, early- or growth-stage company, StartUp & Grow™ can help meet your business’s objectives and needs.

BLG is an avid supporter of a robust entrepreneurial community. As a national, full-service firm, our more than 700 lawyers and intellectual property agents can assist with a range of business considerations, including:

- corporate structuring and finance
- labour and employment
- tax
- intellectual property and information technology
- board and senior management advice

Our team of experts can help you:

- organize and establish a corporation, partnership or other business structure
- access government grants, venture capital credits and other sources of financing, including crowdfunding
- prepare, file and prosecute patent applications
- draft and interpret employment and consultant agreements
- access scientific research and experimental development tax credits

We offer specialized expertise in many emerging industries, including:

- fintech
- cleantech and greentech
- cryptocurrency
- biotech and life sciences
- health law
- privacy law
- cyber risk and cybersecurity

We also offer the StartUp & Grow™ legal package – a series of documents for your start-up venture at a set price. The package includes:

- incorporation and organization company documents
- shareholders’ agreement
- intellectual property assignment agreement
• employment/consulting agreement
• preparation and filing of one trademark application
• website terms of use
• confidentiality/non-disclosure agreement
• strategy discussions
