

StartUp & Grow™

Starting a business can be challenging, which is why choosing the right startup law firm is key. Whether you're a start-up company, an entrepreneur or innovator, or an early stage investor, BLG's StartUp & Grow™ program offers you the practical, efficient legal solutions you need when launching a new business.

Our more than 800 lawyers and intellectual property agents can help with a range of considerations and tackle any startup legal issues when starting or growing your business. Drawing on this depth of expertise, StartUp & Grow™ offers legal solutions across all areas of law critical to your business' success.

BLG's Intellectual Property group, one of the strongest in Canada, supports StartUp & Grow™. Our IP group, with its experienced startup lawyers and agents, is responsible for more than 38,000 patent applications and patents, more than 40,000 trademark applications and registrations, and almost 4000 industrial design applications and registrations.

StartUp & Grow™ also offers access to BLG's unparalleled expertise in emerging areas such as fintech, cleantech, greentech, medtech and health law, software and SAAS, autonomous vehicles, artificial intelligence, sensor technology and wearable devices, cryptocurrency, biotech and life sciences, privacy law, and cybersecurity.
