“Jack formerly summered with BLG Calgary and assisted lawyers on a wide variety of tasks within our Business and Disputes groups.

As a first year law student, Jack volunteered with Student Legal Assistance, and served as a University of Calgary Faculty of Law Ambassador. While completing his undergrad, Jack was a student-athlete, competing as member of the varsity hockey team and serving as a team captain. He is excited to contribute to and learn from the great team at BLG.

Jack chose BLG after having the opportunity to speak with a variety of team members at the firm, from past summer students to senior associates. They all took the time to answer questions and made him feel welcome from the start. Jack strongly believes that BLG provides a unique environment to learn and grow alongside great people who care about their colleagues.

Jack lives an active lifestyle and enjoys playing hockey, golfing, skiing and anything that involves the outdoors. Jack is excited for the world to open up so he can travel again, as well as get back to spending quality time with family and friends.
