Gus formerly summered with BLG Calgary and assisted lawyers on a wide variety of tasks within our Business and Disputes groups.

Prior to law school and joining BLG as a summer student, Gus worked as a field engineer and project manager for a construction company based out of B.C.

Gus wanted to work at BLG because the firm's student program gives him the opportunity to gain experience in a number of diverse practice areas. Additionally, after meeting with the firm's students and lawyers confirmed that BLG would be the right place to start and develop his future law career.

In Gus' spare time he enjoys playing and watching sports, traveling and being outdoors.
