

Metaverse

Just as the internet once made headway into people's lives and prompted companies to evolve accordingly, a few decades later the metaverse seems poised to do the same. Health care, transportation, finance, management practices: expect the metaverse to go mainstream and permeate every facet of the human experience by the end of the decade.

Experience

- BIGG Digital Assets Inc. in its \$20 million acquisition of TerraZero Technologies Inc, a vertically integrated Metaverse development group that facilitates the creation of a fully immersive 3D virtual experience.
