

Contract Disputes

Contract disputes can be as simple or complex as their source—from standard one-page agreements to complex multi-party contracts. It's key to have a trusted team of advocates who can protect your interests in drafting, interpretation, enforcement and—if necessary—mediation or litigation in the event of a dispute.

Our collaborative, multidisciplinary team can help with a range of issues, including:

- drafting and review
- offer and acceptance
- contract formation and validity
- breach of contract
- misrepresentation
- failure to perform
- cancellation and termination
- remedies

Our team is skilled in all areas of contract disputes, including:

- corporate commercial
- construction
- infrastructure

- shareholders' agreements
- partnership agreements
- banking
- securities
- real estate
- intellectual property
- estates and trusts
- franchise and distribution
